## Special Guest Scott Klusendorf on Life Report!

World-renowned author and speaker Scott Klusendorf from Life Training Institute joined RLCC's Josh Brahm and Jonathan Keller in the Life Report studio for three amazing episodes.

**Episode 1: Should Pro-Lifers ALWAYS Vote for the Pro-Life Candidate?**
Topics discussed include:
- the current political reality the pro-life movement is in;
- the different nuances to voting for someone in the Senate, House, and Executive branches;
- voting for third-party candidates;
- the meaning of the word "pragmatic;"
- are all "social justice" issues equivalent?

**#142: Should Pro-Lifers ALWAYS Vote for the Pro-Life Candidate?**

**Episode 2: Does the Bible's Silence Justify Abortion?**
There are some Christians and even pastors who believe the Bible's silence on abortion means that we should not speak up about the issue. Scott Klusendorf deals a devastating blow to this argument.

**Topics discussed include:**
- Should pro-lifers defend their view with Psalm 139, Jeremiah 1:5 and others like it?
- A better biblical argument for the pro-life position;
- Responding to the argument that biblically speaking, life begins at "first breath;"
- Responding to the Mosaic law about fighting men that accidentally cause a premature delivery;
- Responding to that weird passage in Numbers 5 with a priest giving a suspected pregnant adulteress a potion that may result in an abortion;
- Responding to the argument that God is the "greatest aborter of history" because so many unborn children die in miscarriages;
- The inherent exegetical danger of modern Christians using directives from Mosaic law or the Old Covenant.
- Evaluating Mark Driscoll's statement that 2nd-trimester John the Baptist leaping in the womb in response to 1st-trimester Jesus is a great biblical argument for the personhood of the unborn child.

# Quote of the Month

*"My favorite pro-lifer is Josh Brahm. I like him because he is completely willing to discuss the topic of abortion with those that have different opinions and is very open-minded. He has taught me a lot about morality and ethical discussions. He would rather us all communicate than fight, and I totally agree with that."*

Pro-Choice Advocate
