Dear Friend of Right to Life,

On behalf of the Board of Directors and staff of Right to Life of Central California, we would like to invite you to our **30<sup>th</sup> Annual Christmas Dinner and Auction** on Friday, December 7, 2018. In addition to your attendance at our event, we humbly request your participation as a sponsor, advertiser, silent or live auction donor for this, our largest fundraiser of the year. Your support will allow us to fulfill our mission in our community.

This year's honorees are **Sissy and Jason Wood**. For years, Jason, Sissy and their daughters have been dedicated supporters of Right to Life. Sissy has served both as a board member and as a leader within the organization. The Wood family's time, love, energy and commitment have been crucial to RLCC's continued growth and development. We are pleased to have the opportunity to honor and thank them.

At this year's auction, we are excited to introduce our newest venture, one in which Jason and Sissy have played a crucial role: the establishment of a new women's health and pregnancy resource clinic in Fresno with our national partner, the Obria Medical Group. The Obria clinic will offer a full range of women's healthcare services from a caring, pro-life perspective and will be staffed by *licensed medical professionals*. The clinic will help to further our mission to "embrace those facing an unplanned pregnancy and those hurt by abortion." Our **Fresno Obria Clinic** will offer comprehensive abortion alternatives as well as ultrasounds, pregnancy testing, STD testing, cancer screenings, well-woman exams, hormonal health treatment, and telemedicine. This facility will provide a loving and life-affirming alternative to Planned Parenthood.

We thank you for your past contributions, and we ask you for your continued support as we begin this amazing new undertaking. May God bless you and your family for your commitment to the life-saving work of Right to Life of Central California.

Very truly yours,

John V. Gerardi, Esq.  
RLCC Executive Director
