Dear Friend of Right to Life

August 2021

We are so excited to welcome you back to our **33rd Annual Christmas Dinner and Auction**. The event will be on Friday, December 3 at the Ernest Valdez Exhibit Hall.

This year's honorees are **Doug and Therese Swinehart**. Doug and Therese are longtime supporters of Right to Life and have dedicated much time and energy to helping our organization reach our community with the pro-life message.

We hope you will join us as an attendee at the event or participate as a sponsor or donor. There are many ways to contribute.

Currently we are working hard to expand our outreach and education initiatives. Your sponsorship and generosity goes directly to fund this work and will have a direct impact in our community while fulfilling our mission.*

Where Your Support Goes:

- Maintaining our presence at the **Outreach Center** located next to Planned Parenthood
- Conducting training for **sidewalk advocates**
- Expanding our **social media presence** allowing us to reach a larger audience including youth
- Continuing to host **Rachel's Vineyard** retreats and maintaining the hot-line for individuals impacted by abortion
- Participating in the **March for Life** (Sacramento) and **Walk for Life West Coast** (San Francisco)
- Increasing the availability of **educational presentations** for schools, youth groups, and religious education classes, with institutional support from the Roman Catholic Diocese of Fresno and other partners

Highlights from 2021:

- **5 babies saved** due to our presence at our Outreach Center
- **Right to Life Radio** weekly program reaching 1800 local listeners
- **Obria Medical Clinics of Central California** (an independent, non-profit 501(c)(3) subsidiary of Right to Life) scheduled to open in **Fall 2021**

Over the years, your support has allowed us to continue to connect with and support women who choose life, inform the public, and develop educational programs for the youth. Each year we work very hard to provide educational resources for the public. This is important work and the strides we have made would not be possible without your help.

We thank you for your past contributions, and we humbly ask for your continued support as we offer hope and resources to those in the Central Valley. May God bless you and your family for your commitment to the life-saving work of Right to Life of Central California.

Very Truly Yours,

John V. Gerardi
