

You're Invited to Participate in our Mother's Day Corsage Fundraiser

What is Right to Life's Mother's Day Corsage Fundraiser?

Right to Life's Mother's Day Corsage Fundraiser raises money for Right to Life through offering corsages for congregations on Mother's Day. This is a great way for people to get a corsage for a mother or grandmother, and the proceeds support Right to Life.

How does it work?

- After informing us you would like to participate, we will work with you to estimate how many corsages are likely to sell during your Mother's Day services.
- We order the amount of corsages agreed upon, corsages will arrive at our office the Thursday before Mother's Day.
- We will inform you that the corsages are ready to be picked up, and can be picked up Thursday afternoon or Friday. We will also provide promotional materials.
- Offer corsages to your congregations on Sunday (Mother's Day) and collect any proceeds.
- Mail or drop off proceeds at our office the following week.

There is no cost for your church to participate. Right to Life purchases the corsages and there is no cost if not all the corsages sell.
